

Brasilia SLIM Retractable Patio Awnings

Fabric Patio Covers and Sun Shades in Canada

This specialized deck awning is made of extruded aluminum and high quality acrylic waterproof fabric and fully retracts into a cassette. Offered in a manual (hand crank) version or motorized with remote control. It can be wall or soffit mounted. Its aluminum housing closes completely protecting the acrylic fabric against all severe weather conditions. Available in multiple colors and sizes, for both the casing and the canvas.

Delivery Included!

All pricing includes delivery to your home, business or cottage address in or near most major centres within Canada.

✓ Delivery Included!* | ✓ No Handling Fees

✓ Only applicable taxes are extra

*Some exceptions may apply.

Do you have questions?

We would love to help! Call and talk it through with us.

Call: 1-800-922-4760...

We provide personal service and advice on your selection.

Please call or [email us](#) with your questions on deck size, clearances, installation advice and tips. We are here to serve.

- Extruded aluminum framing for strength & durability
- All aluminum frames means the awning will never rust!
- Available Widths: 10 ft. to 20 ft, in two feet increments.
- Three different projections for each width.
- Delivery to your home is 14 - 21 business days
- Completely assembled and ready to install
- All our awnings are UL rated and TUV consumer product tested and approved
- **Please measure carefully** - there are no returns on these kits ([CLICK HERE](#))
- Mounts 'almost' flush to the house wall by using a mounting bar which runs the full width of the awning
- Takes up less mounting space than traditional awnings (see picture above left).
- Fabric is a high quality marine weave acrylic line of fabrics | 320 gram weight., treated for water repellency.
- 5-Year prorated warranty on Fabric, 1 year on the frame - [Click here for warranty details.](#)
- Built in Flex-Pitch option. Allows you to change the angle of your awning at will, ranging from zero degrees to 35 degrees off of horizontal for maximum shade control.
- Choose from 3 frame colors... white, brown & anthracite.

- No pulling or lifting of extra support arms required. Awning opens and closes with a simple turn of a handle.
- Awning operates with crank handle on the right hand or left hand side (outside looking in!)
- If you choose the motorized Brasilia Slim, you can count on the quality of the Dooya tubular motor, a division of Somfy Motor Systems. This super duty motor is engineered for long life with a 4 year warranty.
- This retractable awning is manufactured and assembled in Canada!
- The motorized Brasilia Slim comes with a wireless remote.
- All motorized Brasilia Slim awnings include manual override and a 15' plug-in cord with remote control.
- Enjoy your deck without the worry of support arms or poles.
- **Prices in (\$) CAN ** for Delivery Included to most major centres
- **Call 1.800.922.4760 to place your order**
