The PVC Gazebo Kit has a cover that will last up to 10 years in normal conditions. *Designed to stay up all year round*, this **16 Ounce Vinyl** is made to last and is also UV resistant to prevent yellowing. Made to be tear and abrasive resistant, we have incorporated an "anti-wicking" agent to prevent mold and mildew. Of course both the top and the PVC frame have a limited 5 year warranty against manufacturers defects. This PVC Gazebo Kit is a great addition to any backyard and can be used effectively as a PVC Spa Enclosure Kit.

PVC Gazebo Features:

These do it yourself sunrooms have a **Roof Structure** that is made of 1 1/4" diameter .085" extruded aluminum poles with a baked on enamel finish. **Once up, there is no need to take it down!**

Do not let snow build up on the roof! A maximum of 4" is the manufacturers recommendation.

- These sunroom kits also have a **3" Overhang** built into every unit, preventing the rain from washing down the screen face.
- The roof is a 16 ounce triple ply vinyl top available in three colors - - green, tan or burgundy.
- The vinyl top is cold crack resistant to -58F.
- The vinyl top is attached to the aluminum structure around the perimeter and on each roof strut that extends from the center hubs.
- Comes with a 5 year limited warranty.
- Center height of the unit is 119"
- Door opening is an out-swinging 35" door

Used as spa enclosure kits, these screened patio enclosures are made with **1/8" thick PVC and extruded to form a double walled PVC frame!** Comes with a 5 year limited warranty. Made to last! - - -

Our PVC Gazebo Kits come with "snap in place" screen panels as well as "snap in place" clear Mylar windows to keep the weather out.
