

Window Shades | Solar Screens

Do-It-Yourself EasyShade® kits in both manual & motorized models

Finally! These exceptional vertical solar screens save energy and help keep your home cooler, lowering demand on your air conditioner, because they stop the heat before it can enter your home. Great for porches, sliders, gazebos, pergolas and more.

Available in both **motorized and manually-operated** versions, they retract easily when not in use -- **and roll up perfectly straight every time**. No uneven edges, no cords to tangle. Superb quality, easy to clean, mildew-resistant, maintenance free, and so easy to install!

Available in **widths from 4 to 12 feet**, EasyShades come in Cream, Charcoal, or Desert Sand shade colors, and your choice of a Cream or Bronze aluminum housing that helps keep your EasyShade clean.
