Motorized EasyShades roll up perfectly straight every time on guiding cables - no tangles, no uneven slats like interior blinds! They can be operated easily, even from inside your house, but they don't take up any interior space, leaving more room inside for drapes and other interior design ideas. They give your home a clean, uncluttered look.

Like all EasyShades, the Motorized EasyShade stops the sun outside, before it can heat up your home. It Maintenance-free, it stays on your home all year. No need to take it down in winter. 5-Year Manufacturers Limited Warranty.
